I will use the Internet only if engaged in an educational activity which fits within the objectives and goals of Katoomba High School learning programs.

I agree that the Internet must be considered as a public place in cyberspace. Accordingly, I will exhibit a high standard of behaviour on the Internet which would be expected at all other times and in all other public places.

1. access chat lines/message boards
2. disclose a home address, surname, phone number or financial details

6. read the mail of other people
7. send an email without a teacher's permission.

To ensure that the Internet is being used appropriately I accept that any teacher may monitor recent Internet use including email and recently downloaded files.
